Ubaydullah Hussain, Date unknown

Speaking to an unnamed individual who testified in court against an Islamist: “With God the Almighty’s will, you will burn in hell and in this world, and In shah Allah, Muslims will take responsibility.”²

Ubaydullah Hussain, August 16, 2014

In reference to ISIS’s practice of beheading: “Beheading is not torture, people die instantly, as opposed to what the West does with Muslim prisoners.”³

Ubaydullah Hussain, October 2012

To a Norwegian journalist: “...you should be concerned about your own security. This isn’t a threat, warning or scare-mail. But if something should happen to you, I will smile all the way to the funeral.”⁴

Ubaydullah Hussain, August 2012

“I will give them protection, Inshallah. As soon as [...] I can get hold of an AK-47 (automatic rifle). These swine belong to an occupation power, Israel, and have additionally occupied our mosque, al-Aqsa. Oh Allah, get the filthy Jews out of our mosque. They are real swine and must be fought. It is a pity that the brother that shot against the [Oslo] synagogue in...2006 did not hit anyone,” (referring to the 2006 shooting at the Oslo synagogue.)⁵
